BROOMS AND LADDERS

GAME MECHANICS:

- Each player will roll the dice. The player with the highest number will have the first turn, followed by the second highest, and so on.
- The player will move their pieces starting at 1 based on the number on the dice when rolled.
- When a player lands on top of the broom, s/he must slide down to the bottom of the broom.
- When a player lands at the bottom of the ladder, s/he must go up to the top of the ladder.
- When a player lands at the candy spot, s/he must get a candy of her choice from the candy bin.
- The first player who reaches the No. 35 tile wins and gets a special prize.
